

REQUEST FOR PART #019143

ADD EDUCATIONAL BALANCE LECTURE AND DEMONSTRATION VIDEOS TO YOUR NEUROCOM BALANCE MANAGER SOFTWARE*

IMPROVE SYSTEM USAGE

- On demand videos by experienced Physical Therapists lecturing on protocols and interpretation

BECOME AN EXPERT

- Demonstration videos with a click of a button allows new and experienced staff to quickly refresh techniques

SAVES TIME AND MONEY

- Provide staff the flexibility to view videos from remote workstations using the NeuroCom Data Analyzer facilitating clinical training

Update your NeuroCom Balance Manager software with these essential lecture and demonstration videos by emailing your request for a quote to NCMadmin@natus.com

*Upgrade available for NeuroCom balance systems running software Version 9.0 and higher
